

Independent Study Grade Sheet

PARENTS: For every independent study course each learning period, complete this grade sheet with your student. You complete the grades and they complete the reflection. This, along with the attached work, are turned in to Kirsten either during Homeroom or during our learning period check-in meetings.

How to complete this sheet:

1. Grade all work for the required modules for the learning period.
2. Complete this grade form and staple/clip it to all assignments for the completed modules of work.

Student Name: _____

Course: _____

Modules Completed: _____

Homework Grade: _____

Test/Essay Grade: _____

Overall Learning Period Grade: _____

Student Reflection: Write a 4-6 sentence paragraph about how well, or not well, you learned the concepts throughout the learning period. DO NOT simply restate facts that you learned. What did you do well with (skills or concepts)? What did you struggle to understand or do? What goals do you have moving into the next learning period?
